Dear Cumberland Council,

This is my email to voice that I object to the building of the proposed rubbish tip.

Name:
Address:
Contact number:

Reason for objection: Having a rubbish tip located so close by to my home gives me genuine concerns about the adverse impacts it will bring to the community here in Lidcombe and to my family who have been happily residing here before this issue arised. Lidcombe is already a busy town with many residents including the young and elderly, and you are proposing to build a rubbish tip that will be creating pollution and worsening our health, creating noise and smell that will affect the tranquil lives we have been leading until now. We will be the ones having to bear the smell, the noise, and the traffic congestion that this will bring. This is not what we want, this is not what we want our home to be. A rubbish tip has no place here in Lidcombe. Please consider the negative impact it will have on all of us living here.

Regards,
