Dear Cumberland Council,

My name is |

I hereby object to the establishment of a rubbish tip that is being planned at 109A Church Street here in Lidcombe. I do not wish to have to a rubbish tip located so close by to my house where I live with my family and my children. There are so many negative impacts that the rubbish tip can have on our health with the pollution it produce, as well as the accompanying intolerable smell. We moved to Lidcombe with plans on staying here for the rest of our lives, not to have to be concerned about having my home being overtaken by a rubbish tip located so close to home. Not only is a health safety concern, it is also a hazard in my eyes. I travel frequently on the roads that the trucks will travel on and this makes me very concerned about my safety. I do not feel safe when this is the one place I should be feeling safe. I object to the plan of a rubbish tip in Lidcombe.

Please heed the voices of your residents.

Regards,
