Good Evening

I would like to express my disapproval of the potential Organic Waste Transfer Station at 109A Church St, Lidcombe NSW 2141.

I have a respiratory issue that causes difficulty of breathing with air pollution, fumes and dust that can be exacerbated with the increased garbage truck movement in the area. For this reason, please accept this email as an official expression of concern for my health and those in the area. I am happy to discuss further if required, my details are below.
