Dear Sir/Madam,

I am writing to express my strong objection to the proposed Organic Waste Transfer Station outlined in Development Application DA2023/0130, for the site located at 109A Church Street, Lidcombe, NSW 2141, on Lot 1 DP 778492.

This proposed facility is to be located alarmingly close - a mere 100 metres away from my new apartment (we are moving there next month or so) and my kids school.

Im seriously concerned about my kids and me that it will be noisy and very bad pollution and dust and bad smells. It will impact the health and safety issues.

My I had a stage 3 ractral cancer so I don't want to put myself in danger.

Here are my details,

Many thanks,
