To whom it may concern,

I am writing to express my concerns with the proposed rubbish tip at 109A Church Street Lidcombe.

The development will negatively impact the local community for the following reasons:

- 1) Increased vehicular traffic in what is already a busy area will impact public and pedestrian safety.
- 2) The potential health implications from the rubbish tip to residents and businesses including increased vermin in the area.
- 3) Taint the growing and developing Lidcombe reputation.

It is clear that this decision is being made without consideration for the community.

Kind regards,
