Dear,

I have recently been noticed that Cumberland Local Council is proposing to build a rubbish tip (Organic Waste Transfer Station on 109A Church Street Lidcombe (DA2023/0130) which is less than 100 metres away from our local residential properties, and also close to schools, Child Care, Aged Care, Parks and Businesses.

It is absolutely a nonsensical proposal indeed which looks down on residents in Lidcombe.

Please stop the hazardous planning which is too close to our absolute residential and business area.

Regards
