CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Reason for objection: Lidcombe is growing in population (residents and businesses). Many young families strive to buy a property in Lidcombe and surrounding suburbs, particularly with the future infrastructure plans for Olympic park. Bringing in a rubbish tip will only stunt the development of Cumberland council. This will definitely negatively impact property prices and add to the existing traffic problems. Additionally, there are two primary schools in Lidcombe. With the rubbish tip operating Monday to Friday, school pick up/drop off will be affected, as well as posing health threats to all. I object!

Looking forward to seeing a positive outcome for us locals.
