Hi

I'm an owner of Lidcombe rise. I **disagree** they building a rubbish centre at there.

The reason is :

1. The establishment of garbage transfer stations in densely populated areas will undoubtedly have a bad impact on the local environment.
2. Garbage transport vehicles will cause inevitable congestion on nearby roads, and even affect traffic on the A6road and Parramatta Road.
3. Lidcombe is a rising community, please do no harm to this multicultural and hopeful community.

Regards
