Good afternoon,

I am writing to object to the proposed development of an organic waste transfer station in Lidcombe - (DA2023/0130).

I live at . By having this facility so close to our home, schools and parks it would depreciate the value of the area. "Who would want to live so close to a tip?"

Traffic already feels congested during peak hour by being so close to a train station. If the proposal goes through it will get worse as the facility will be operating 6 days per week.

Thanks for hearing me out.

Kind regards,
