Names of Residents:

To the Town Planning Team,

We of Names stated in 1 to 6 above, would formally like to **submit an Objection to DA2023/0130.**

are elderly and suffer from respiratory issues.

We are not sure of the impact to air quality to the community, but it certainly raises health concerns to allow an Organic Waste Facility so close to our home.

I wish to Object to the approval of any waste facility in a highly populated area.

If any health concerns are to impact the community, legal litigation will be sort and compensation will be demanded.

Please keep record of our family members health concerns.

Please DO NOT approve the Organic Waste Facility.
