OBJECTION to DA2023/0130. Site: 109A Church Street LIDCOMBE NSW 2141: Lot 1 DP 778492

Hi Cumberland council members,

My details are as below.

Name:
Address:
Contact number:

Reason for objection:

I heard that Cumberland council is reviewing DA2023/0140 which is for a rubbish tip construction (Organic Waste Transfer Station on 109A Church Street Lidcombe).

All my neighbours are really shocked for that how they can even plan the rubbish tip near the street which has a primary school and child care and aged care. I have lived in Mary Street for more than 15 years and am really concerning this situation.

As you're maybe aware, there are three big unit complex are being constructed on Church street at the moment which already caused severe traffic problem and this will be worse once they completed the construction. I don't think you can add another burden on this. I think you should consider all these situation again.

I believe that Cumberland council should refuse this plan for our community and residents. Please review it again and stop this plan.

Regards,
