Dear council,

Hope this email finds you well.

I am writing this email as it has come to my attention that there will be a waste transfer station within 100 meters of my newly purchased apartment complex at 109A Church St Lidcombe.

With further investigation it has been noted that this proposed waste transfer station will certainly introduce number of issues into the Lidcombe community include but not limited to worsen traffic, noise, odor, safety and inevitable pest/environmental impacts.

My submission is that this proposed waste transfer station / application should not be granted approval based on the known facts and strong community objections.

My name is [redacted] and my newly purchased apartment is located [redacted] |  
can be contacted via mobile on [redacted] ; or reply to this email.

Yours sincerely
