To Whom it may concern

I would like to **reject** this proposal as it has significant impact on the residents living near the proposed construction site and rest of the neighborhood with

1. traffic congestion, will affect the Lidcombe train station which is main station in this area (my daughter will change the train at Lidcombe to school)
2. air pollution, huge noise
3. Dust fumes and bad smell
4. negatively impact the health and safety of local residents
5. negatively affect the environment

Above list some reasons for reject this proposal but not only these.

Kind regards
