Subject: Clarification for Request For Additional Information - Opposition to DA2023/0130

Good Morning,

Usually when Cumberland City Council sends a request for additional contact information, we refer to the contact information of the person sending the email so that we can correctly register into our system. So if we could just get your full name, phone number, and address, or if you could specify which one of the names listed is yours (if listed), that would be much appreciated.

I hope this clears this up.

Kind regards
