Hi Council manager

Reason for objection:

If the waste transfer station gets built, this would have significant impact on the residents currently living near the proposed construction site and rest of the neighbourhood with:
1. Traffic congestion
2. Air, noise and soil pollution
3. Dust fumes and bad smell
4. Negatively impact the tranquillity of our suburb
5. Negatively impact the health and safety of local residents
6. Negatively impact property values
7. Negatively affect residential, commercial and recreational environment 8. Local residents will bear the cost of roadworks damaged by the ongoing heavy vehicle usage of the area.

Regards
