Dear Council officer,

I am writing about the proposed rubbish tip in Lidcombe and I am strongly disagree with it.

I worry about the significant effect of it

First, Lidcombe's narrow road will be trouble due to the heavy traffic caused by rubbish trucks.

Second, there are so many students passing by around that area so it will be dangerous.

Also, there are so many reasons so as not to be set up the rubbish area as well.

My information is as below.

As a result, I'm against Lidcombe being a rubbish place.

Thanks.
