Dear Council,

Hope you are well!

I would like to submit my objection to the proposal of building a rubbish tip in Lidcombe for the following reasons:

1. Traffic Congestion and increased traffic volume in the area
2. Air, noise and soil pollution
3. Dust fumes and bad smell
4. Negalatively impacting the tranquillity of Lidcombe. (The proposed operational times being 6/7 days a week, during peak hours)
5. Negative impact to health and safety of local residents
6. Negatively affect the residential, commercial and recreational environment. (Plant is proposed very close to residential properties, child care, aged care parks and business facilities.
7. Local residents will bear the costs of roadworks damaged by the ongoing use of heavy vehicle usage.

Please kindly take into consideration the above reasons for the objection to your proposal.

Thank you for your time and hope you have a lovely day.

Kind Regards,
