To Cumberland Council,

We would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church St Lidcombe NSW 2141; Lot 1 DP 778492 File: DA 2023/0130

The reasons are as follows:

- 1) The proposed DA site is too close to the residential area, school, nursing home and it is so close to the Lidcome Center;**
- 2) It will add traffic Congestion and air and noise pollution;**
- 3) The pollution impacts the health and well-being of local residents;**
- 4) It will impact the business in Lidcome area.**

Best Regards,
