Can I give some feedback for making a rubbish tip at Lidcombe. And I want to disagree for having a rubbish tip at Lidcombe. Because Lidcombe area isn't that big and it is very close to school, child care, aged care, parks and businesses etc:

It will be very bad if the rubbish tip is laying around Lidcombe area this will affect the air pollution and the surroundings for Lidcombe and it is bad for everyone as well. For example: what happens if the rubbish truck went pass in front of restaurants. It will be a strange smell. Please look into my feedback and I am looking forward for your reply. Thank you for your concern. Sorry for the inconvenience.

Regards
