I wish to object to the above DA

Reasons -

- **The said area is already heavily suffering from traffic jam - its only a single lane - used as bypass for Flemington and motorway**
- **odour is also a major concerns, with schools and other sensitive population within 2km radius of this development**
- **Air pollution from this DA will be generated and no control measures will fix the problems**
- **Lidcombe is not getting much of improvement insfracture having this DA will not improve the amenity instead will impact the property value**

I DO NOT support this DA

Kind regards
