Good Day,

I am writing to express my concerns on DA2023/0130, Site:109A Church Street Lidcombe NSW 2141, Lot 1 DP778492.

I strongly object to building a rubbish tip so close to the residential area.

If the waste transfer station is built, it will have a significant impact on the quality of my lifestyle in this area. I propel you to reconsider the plan due to below concerns:

Many thanks.

1. Traffic congestion
 2. Air, noise and soil pollution
 3. Dust fumes and Bad smell
 4. Negatively impact the tranquillity of our suburb
 5. Negatively impact the health and safety of local residents
 6. Negatively impact property values
 7. Negatively affect resident, commercial and recreational environment
 8. Local residents will have to bear the cost of the roadworks damaged by the ongoing heavy vehicle usage of the area.
