Subject: [EXTERNAL] OBJECTION to DA2023/0130, Site: 109A Street LIDCOMBE NSW 2141
Lot 1 DP 778492

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Reasons for objection: _

1. Numerous trucks and heavy machinery going in and out of Lidcombe causing traffic congestion (leaving pot holes every where).
2. Major environmental concerns. Smell and dust causing health issues.
3. Air, noise and soil pollution.
4. Dust, fumes and bad smell. Negatively impacting visitors outside Lidcombe and locals who come to our pub/club and restaurants.

In conclusion this existing private owned business should not exist at the first place. Too close to residential area causing major noise pollution. Lidcombe was once a quiet and clean suburb to live in.

There are numerous negative impact in our community and i am strongly opposing to this application.

This application should immediately be declined.
