Dear Cumberland council

I hope this email finds you well. I am writing to bring your attention to a concerning issue that requires immediate action: the proposed construction of a rubbish tip in Lidcombe. As a concerned resident of the area, I strongly disagree with this ill-advised project.

Our Cumberland is not just Lidcombe but also the suburbs surrounding us. As a big community, I believe building a rubbish tip is not a sensible decision as it has many negative impacts. As a resident of Lidcombe, as a parent, I wish to bring a clean, beautiful, and safe environment for my children to grow up.

I believe everyone understands how bad the impacts will bring to Lidcombe. Let's work collectively to protect our environment, preserve the beauty of Lidcombe, and ensure the well-being of our community for years to come. Our united effort can truly make a difference.

Thank you for your time and commitment to our shared cause.

Regards
