Subject: Object to the development, DA2023/0130, Site: 109A Church Street Lidcombe NSW 2141 ; Lot 1 DP 778492

To Cumberland Council,

i would like to object to the proposal for the construction and operation of an organic waste transfer station at 109a church st lidcombe nsw 2141. lot 1DP 778492. file DA2023/0130.

it is only about 70 meters to the residential area, the waste truck will cause more traffic congestion. the dust fumes and bad smell going to affect the local people's health.

and only about a few hundreds of meters away there are two primary schools. lots of students they walk home by themselves, it is very dangerous to have so many waste trucks coming through.

i trust the cumberland council will carefully consider these objections and take the necessary steps to address the concern raise by concerned residents like me. thank you for your attention to this mater.

yours sincerely,
