I strongly object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

How can you imagine that there is such a big organic waste transfer station at your beautiful place, it will make noise here , bring big pollution to this area. traffic Nobody wants to live next door to a big waste transfer station.
Your sincerely,
