To Cumberland Council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

We had a nice and quiet neighborhood around this area. There are apartments being built and there is already busy traffic on Church Street. Once the transfer station has been built there will be waste transfer trucks going around and causing more traffic congestion which we do not want to see. Also, we object to the noise, dust fumes and bad smells from the trucks and the Plants from the transfer station.

We object to the following points:-

- . More traffic congestion,
- . Noise,
- . Dust fumes, and
- . Bad smells.

Your sincerely,
