To Cumberland Council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

My family have been living in Lidcombe for 10 years, it is a nice and quiet neighbourhood. Lately there have been lots of apartments being built and traffic is increasing on Church Street, we don't want to see once the transfer station has been built there will be waste transfer trucks going around and causing more traffic congestions. Also, object to the noise, dust fumes and bad smell from the trucks and the Plants from the transfer station.

We object to the following point:-

- . More traffic congestion.
- . Noise.
- . Dust fumes.
- . Bad smell.

Your sincerely,
