Dear Cumberland Councillors,

I hope this email find you well,

I am writing to express my strong objection to development proposal outlined in DA2023/0130, pertaining to the demolition of existing buildings & the construction & operation of an organic waste transfer station in our community. As a concerned resident & advocate for environmental preservation, this proposed project would have adverse effects on our neighbourhood, the well-being of its residents, and the overall ecological balance.

I trust that Cumberland Council will carefully consider these objections and take the necessary steps to address the concerns raised by concerned residents like me. Thank you for your attention to this matter. I look forward to a prompt response outlining the actions being taken in response to our objections.

Kind regards,
