SUBJECT:

OBJECTION to DA2023/0130, Site: 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492

Dear Sir/Madam,

I am writing to you in objection to the above mentioned DA proposal. If the waste transfer station gets built, this would have significant impact on the residents currently living near the proposed construction site and rest of the neighbourhood with:

The reason for my objections are as follows:

1. More severe traffic congestion;
2. Air, noise and soil pollution;
3. Dust fumes and bad smell;
4. Negatively impact the tranquillity of our suburb;
5. Negatively impact the health and safety of local residents;
6. Negatively impact property values;
7. Negatively affect residential, commercial and recreational environment;
8. Local residents will bear the cost of roadworks damaged by the ongoing heavy vehicle usage of the area.

Furthermore, there is already a cemetery at Lidcombe, this has already affected the value of the surrounding properties. We **DO NOT** need another waste station to be built in our home suburb.

Kind regards
