Dear Sir/Madam

I am writing to express my concern regarding the above DA application.

Matters of concern are as follows.

- * Frequency of heavy, foul smelling vehicles rumbling through suburban area and in close proximity to schools and child care centres.
- * Church Street - is a narrow road with big trucks parking by the kerb - potential hazard for head on collision with oncoming vehicles
- * Traffic congestion will worsen from Church street leading to Railway Street, which impacts travel time for the commonly used Centenary Drive
- * Environmental impact of waste treatment, pollutants and contamination of the surrounding area

Given the above concerns, I would strongly object to this DA application.

Regards,
