Subject: [EXTERNAL] object to the proposed development of the Organic Waste Transfer Station

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

I am object to the proposed development of the Organic Waste Transfer Station at 109A Church Street Lidcombe DA 2023/0130 due to the odour and leachates causing long term health hazards. The odour coming not only from then facility itself but the trucks transporting the waste to and from the facility. As well as the impact of the trucks on traffic congestion and road safety due to close proximity to schools and residential housing.
