Hi Cumberland Council,

I am writing this email to petition my objection to this DA2023/013 proposal. I have lived in Lidcombe for over 29 years. Now that I have my own family with 2 kids it's barbaric to think that council will proposed rubbish tip (Organic Waste Transfer Station, 109A Church Street, Lidcombe). Lidcombe is my home this is the place where I wanted to spend the rest of my life and raise my kids. I got my parents and sibling living in the same suburb as me. I don't want this wonderful suburb to turn into a dumping ground. At the moment traffic is already congested, let alone there's going to be increase pollution. Not only that houses prices value will go down. Please stop this from happening.

Sincerely,
