Dear Council,

[REDACTED] am writing in favour of rejecting plans to build an Organic Waste Transfer Station 109A Church Street, Lidcombe DA2023/0130,

I am worried about health implications to me and my family as well as the depreciation of my area due to this development.

I hope you reconsider your efforts around this project as I am under the impression that the greater community around me also reflects my views.

If you have any questions or queries, please do not hesitate to contact me to further discuss my concerns.
