Subject: Fw: Objection to the development, DA2023/0130, site 109A Church street LIDCOMBE NSW 2141; Lot 1 DP 778492

Hello,

I am a 70ys olde man who has lived in Lidcombe since my first day in Australia. Looking at the changed in this area, I support good development, but I strongly oppose to build a rubbish tip at Lidcombe (Church street).

This plan would have significant impact on me

1. Traffic congestion
2. Air, noise and soil pollution
3. Negatively impact the health and safety of local residents

Your Sincerely
