Dear council,

As a member of a resident of Berala, I am deeply concerned about the proposed Development Application DA2023/0130 as it will have detrimental long-term effects on the community in the following aspects:

- guaranteed increase in traffic volume that Lidcombe is incapable of handling
- potential odour and noise generated from the premise which is positioned in the heart of the Lidcombe CBD

Henceforth, I do not support the proposed Development Application DA2023/0130 in any way, shape, or form.
