To Cumberland Council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

This is due to the following reasons:

The organic transfer station will produce a bad smell, attract rats, cockroaches, pests and rodents. Environmental impact of air pollution, soil pollution, sound pollution.

The hazardous fumes and pollution impact the health, well-being and lifestyle of local residents.

Object to the following point:-

- * Pollution
- * Impact health and well-being of local residents
- * More traffic congestion
- * Noise
- * Bad smell
- * Hazardous fumes
- * Environmental impact

Kind Regards,
