Dear madam/sir

[REDACTED]

I am writing this to discuss regarding building a waste station
I've purchased the property to invest, and I believe that this waste station could drop the value of my property
How could I vote "NO" for this project
I do not want this waste station to be built in my area
Please tell me what I could make this proposal to be refused
My contact details are [REDACTED]
I normally work full time, Please text me or reply email

Kind regards,
