Hi dear cumberland councillors  
This is

As a owner of business, I have the shop in lidcombe shopping center over 8 years, every day I drove past the way of the road which is the church st through railway & Arthur st.if this happened, that way will be always busy and so many nosy. And the environment is been so baddy, I would not happy with that.

I trust that Cumberland Council will carefully consider this objection and take the necessary steps to address the concerns raised by concerned business people who like me.

Regards
