Reason for objection: We say NO Rubbish tip at Lidcombe.

We have moved to Lidcombe in 2021. We are 3 people as households and expecting a newborn baby in this coming days.

We strongly against to this waste management place to be run as it will only bring hazard to our region as well as negative effect in the region's health and will lower the house prices.

These type of facilities should be away from the residential areas. We are also not happy with the trucks around are fast and dangerous.

We kindly request this place to be turned into a park or residential area or social facilities such as shopping centres. We want the best for our baby and Lidcombe residents deserve better.
