Hello,

I would like to object to the proposed development application currently before Council.

As a ratepayer, I will be seriously impacted by the following:

- Loss of value to my property
- The odour from a household rubbish dump, particularly in Summer.
- The increased traffic in the local area. The area is already impacted by poor traffic flow
- The impact on the roads of 118 trucks a day to and from the site. This is aside from the noise of said trucks and the fly away rubbish from the trucks.
- The proposed site is close to schools, childcare and aged care centres AND too close to residential areas

I cannot express how angry I am about this proposal. Why were residents not informed? I only found out about it two days ago because my sister received an email from Sally Sitou.

I DO NOT WANT A RUBBISH TIP IN MY AREA!!!
