To whom it may concern,

I am highly disagreed that build a waste transfer station next to my sweet home,put it on ur shoe,how would you feel if a waste transfer station next to your house within 100 meters?

Please don't build organic waste transfer station next to my home.This is my first home in Australia and dont want my first home to be near waste transfer station. It will only bring rubbish and noisy to all the residents. It will cause hygiene issues and all the houses and apartments price will drop down ,it's so bad plan for the future developing of this suburb. The air will not be good for newborns babes and pregnant women.

I am planning to live here for more than 10 years so don't build the rubbish station in my home!

Yours sincerely,
