**Subject: Objection to Development Proposal DA2023/0130 - Der
Operation of an Organic Waste Transfer Station**

Dear Cumberland Councillors,

I hope you are well. I write to express my strong objection to dev
pertaining to the demolition of existing buildings & the construc
in our community. As a concerned resident & advocate for enviro
have adverse effects on our neighbourhood, the well-being of it:

One of the most pressing concerns I have regarding this proposa
community. The current Traffic Impact Report, as part of the dev
construction of new dwellings in the vicinity, specifically the dev
residents in these newly constructed dwellings has already place
increased traffic volume on Church Street through to Railway an

The proposed organic waste transfer station would further exace
Arthur Streets, particularly towards the A3 highway. Increased h
transportation would contribute to longer queues, slower travel
times, inconvenience to local residents & have a negative impact
