I would like to raise an objection to DA2023/0130, Site location 109A Church Street. Lidcombe NSW 2141.

#### Reasons for objection

1.  
Amount of heavy traffic that will be added to Lidcombe on top of 3 new unit blocks named Lidcombe Rise that are not filled yet with owners/renters, still in building stage.  
With this in mind there will be cars parked down Church Street. Overflow from the Lidcombe Rise development. At present the street at 109 Church Street is filled with trucks that business owners keep there.
2.  
Parking for Railway service repairs/maintenance vans/trucks use this end of Church Street for entry to the tracks.
3.  
Concerns about 2 rubbish trucks going either way under the underpass railway bridge.  
It is very tight at present with the speed limit it would be an issue and fitting the 2 rubbish trucks around the bend at the underpass.
4.  
Smell issues being so close to the Lidcombe Rise buildings.  
Unsure what required distance should be. But it seems too close.
