**Subject: Objection to Development Proposal DA2023/0130 - Demolition of Existing Buildings and Construction and Operation of an Organic Waste Transfer Station.**

Dear Sir/Madam,

I don't agree with putting the rubbish collection station in Lidcombe. Because this is a residential area, the surrounding traffic is heavy, and I have to go to and from get off work. I can foresee the impact on the environment and traffic once this becomes a garbage collection station. So I object. Thanks!

Best regards,
