#### Reason for objection

I do not feel safe having a tip so close to home I am unable to reside so close to a tip that will create dust fumes bad smell and that will negatively impact my safety as I am already immunocompromised.

I paid alot of money to live where I do and believe it is unfair for something like this to be so close causing so many issues

Furthermore I have young grandchildren who spend most of their time at my house I don't want them to breathe in bad fumes.

Kind regards
