Dear officer,

This is [redacted] re-siding at [redacted]

I am expressing strong concerns about building a waste transfer station at 109A Church St Lidcombe.

My family drive pass this road everyday. Having the waste transfer station would first, making the road more congested. Second, It is very close to the Lidcombe centre and will affect the everyday living of Lidcombe residents. Thirdly, it will affect the environment in the near by area.

Please consider my thoughts and it will devalue the value and look of Lidcombe I have been living here for over 10 years and would like to live longer. I think DA2023/0130 need to be relocated outside of Lidcombe.

Kind Regards,
