To whom it may concern,

I am writing to oppose the proposed rubbish tip on Church Street, Lidcombe.

My concerns are:

- the increased in traffic and the amount of trucks this will bring to an already increasingly congested area
- the safety issues these trucks pose to the community
- the damages these trucks would cause to the roads and streets in the area
- the noise from the facility and the trucks during its long operational hours
- the odour
- the proximity of this site to homes
- the impact it will have on the worth of properties in the area
