To whom it may concern,

My name is [REDACTED] My contact number is [REDACTED] I'm emailing to make known my concerns about the proposed rubbish tip and its impact.

My reasons for objection are as follows:

- Air, noise and soil pollution will significantly increase
- Health and safety of local residents will be impeded
- Property values will further decline
- Increased heavy vehicle usage in the area will result in higher risk of road damage and traffic incidents

I know my concerns are shared amongst a significant portion of residents in the local area and I ask that you take our concerns into consideration before building the rubbish tip.

Thank you for your attention.
