To whom it may concern,

My name is \_\_\_\_\_ and I am writing this email with concern and objection to the proposed rubbish tip (Organic Waste Transfer Station, 109A Church St Lidcombe) and its impact it will have on the local community if this proposal were to go ahead.

My cause of concern and objection arise with the impact the proposed construction and site will have on traffic congestion, air, noise and soil pollution, the dust fumes and bad smells it will cause, the negative impacts on the tranquility of the suburb, health & safety of local residents, property values, residential, commercial & recreational environment and the costs that locals will have to bear for roadworks damaged by the ongoing heavy vehicle usage of the area.

Thank you.
