[EXTERNAL] OBJECTION to DA2023/0130, Site: 109A Church Street Lidcombe NSW 2141; Lot 1 DP 778492

Reason for objection:

We had bright hopes for Lidcombe when we moved here. Having moved here from Hurstville, we had hoped Lidcombe would be someday be developed to be the same standards..

Having a train station and cemetery full of history, Lidcombe is unique in its own rights.

It has all the right facilities for our children to grow up. A great town, public school, public library, public swimming pool, public velodrome and public netball courts.

The only thing that was lacking is a high school here.

Such a beautiful town. But the council could now possibly destroy this legacy with just one poor decision.

But the ultimate reason for my objection is because the proposed development is too close to our residence and poses a health hazard to my immediate family members, especially my young children.

I hereby officially register my objection and protest to this development application.

Regards
